## Appliqué

- Appliqué pumpkin, stem, basket, bow and squirrels following numbers on pattern. Place finished bottom of squirrels on bottom seam as shown in picture.
- Prepare acorn appliqué using your favorite method. If you are using wool, trace pattern onto dull side of freezer paper. Cut freezer paper  $\frac{1}{4}''$  away from traced line. Iron shiny side of freezer paper to wool and cut out directly on traced line. Follow directions under embroidery for the acorn.
