## Appliqué

- Prepare pumpkin, stem, sign and crow using your favorite method of appliqué. Before you begin to appliqué, place pumpkin, sign and crow on top of pattern right side up over a light box or bright window. Trace the words onto sign, pumpkin lines and crow's feet onto pumpkin, and eye onto crow using a fabric pencil or water erasable marker.
- Appliqué pumpkin, stem and crow following numbers on pattern, placing finished bottom of pumpkin directly on seam line as shown in color photo.
- Prepare star appliqué using your favorite method. If using wool, trace pattern onto dull side of freezer paper. Cut freezer paper ¼" away from traced line. Iron shiny side of freezer paper to wool and cut out directly on traced line.
- Place the pattern and block right side up over a light box or bright window. Pin stars in place following pattern. Trace stem lines onto background with a fabric pencil or water erasable marker. Follow directions under embroidery for the wool stars.
